

Vets Golf: Prizes for Weekly Competitions

COVID restrictions reintroduced from 1 August prevent us from holding presentations and the giving of novelty prizes. To facilitate the timely handing out and to minimise physical handling of prizes, the Vets Golf Committee has decided to temporarily change the prize structure and how they are given out.

Prizes will be given out as credits to a member's golf account. The prize winners will be credited ASAP following the round (most likely the following day). Prizes will be:

- The winner and runner up in each grade will receive \$30 and \$20 respectively (with an additional \$50 prize for the Mug winner in a monthly Mug round)
- The ball rundown will be replaced by 10 \$5 prizes
- Prizes will be adjusted if there are less than 40 players.

Results for each week's competition will be published:

- in the Vets Golf Section on the Worrigeer Sports website
- at the Pro Shop the following Wednesday on the sheet updating Race to October Points

This regime will apply from 5 August 2020 and will be in place only while COVID 19 restrictions remain in force. The intention is to revert to our normal prize structure when these restrictions are removed.

We are also endeavouring to collect member's email addresses so that regular updates can easily be communicated to all Vets members.

Colin Brigstock

President, Vets Golf
